

Facility Data			Notes (Optional)
DCDEE Facility ID for Licensed Facilities	Names of Unlicensed Facilities or Other organizations that training attendees were affiliated with, which do NOT have Facility IDs	Total number of staff (unduplicated) that attended at least one training during this FY:	Optional Notes
fac_data_training.facility	fac_data_training.center_nicknames	fac_data_training.ece_participants	notes.optional_notes
Data Entry Type: DCDEE Facility ID for licensed centers and FCCHs sending staff to training.	Data Entry Type: Text Entry Please provide names for centers that sent staff to training, but which do not currently have a DCDEE Facility ID. If Licensed enter DCDEE facility id in that column, if not licensed, enter organization name here. While Smart Start priority is given to training staff at licensed Child care centers and FCCHs, we recognize that sometimes there is an extra spot in a training, which Partnerships may open up to other community members who care for young children. Report regardless of county located in, include out of county participants.	Data Entry Type: Whole Number Report regardless of county located in, include out of county participants.	Data Entry Type: Text.
